# Santee Success Program 2021 School Accountability Report Card 

| SARC Overview | By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. <br> For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sal <br> For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ <br> For additional information about the school, parents/guardians and community members should contact the school principal or the district office. |
| :---: | :---: |
| DataQuest <br> DataQuest | DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). |
| California School Dashboard | The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. |
| Internet Access | Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents. |

## 2021-22 School Overview

Santee Success Program is an opportunity for students to learn in a small setting.
Santee School District
"Where Young Minds Meet Open Doors"
Adopted March 5, 2020
MISSION STATEMENT
Providing an extraordinary education in an inspiring environment with caring people.

## VISION STATEMENT

Unlocking the potential of tomorrow by building confident, innovative learners today.

## BELIEF STATEMENTS

Children are our first priority. Therefore we believe....
All students can learn.
Student growth, academic performance, and positive personal development are the highest measures of student and district success.
Trust, integrity, respect, citizenship, honesty, responsibility, commitment, and pride are the foundations on which our district is built.
Students should understand and respect the origin of the nation, the law of the land, and the principles of our democracy.
Parent and community involvement in our schools is crucial to the academic success of our students.
Knowledgeable, motivated, and inspired employees assure the success of our students.
Everyone has the right to learn and work in a safe, healthy, orderly, and clean environment.
The district operates efficiently and effectively through focused leadership, fiscal responsibility, and open communication, with a strong academic program as the top priority.

BOARD GOALS

## 2021-22 School Overview

Educational Achievement
Assure the highest level of educational achievement for all students.
Learning Environment
Provide a safe, engaging environment that promotes creativity, innovation, and personalized learning
Fiscal Accountability
Financially support the vision, mission, and goals of the District by maximizing resources, controlling expenses, and managing assets to ensure fiscal solvency and flexibility.

Staff Development
Implement a staff development plan as the cornerstone of employee performance and growth.
Student Well-Being
Provide social, emotional, and health service programs, integrated with community resources, to foster student character and personal well-being.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

## 2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District <br> Percent | State Number | State Percent |

| Total Teaching Positions | 1.0 | 100.0 | 313.5 | 100.0 | 274759.1 | 100.0 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more gradelevel[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2021-22 Opportunities for Parental Involvement

Santee Success Program is a short-term placement for students prior to returning to a comprehensive campus. Parents are encouraged to visit and volunteer as much as possible. Parents are communicated with weekly and conferenced with at least two times while the student is at SSP. Parents wishing to volunteer in the classroom can contact the teacher for more information.

## C. Engagement

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

|  | Subject | School <br> $\mathbf{2 0 1 8 - 1 9}$ | School <br> $\mathbf{2 0 2 0 - 2 1}$ | District <br> $\mathbf{2 0 1 8 - 1 9}$ | District <br> 2020-21 | State <br> 2018-19 |

| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Santee Success Program is on the campus of Cajon Park School and as such are part of the Cajon Park School Safety Plan. The Comprehensive School Site Safety Plan was developed in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by school staff in September and December, 2021.

## 2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## 2020-21 Types of Services Funded

Santee School District receives State and Federal funding. State funding, through the Local Control Funding Formula (LCFF), is allocated to a variety of funding sources based on the eight State priorities, District priorities, and annual stakeholder feedback. The eight State priorities are:

1. Basic Services
2. Implementation of Common Core Standards
3. Parent Involvement
4. Student Achievement
5. Student Engagement
6. School Climate
7. Course Access
8. Other Student Outcomes

Federal funding, Title I, Title II, and Title III, provides additional funding for intensive interventions, increased parental involvement, quality professional development for teachers and principals, and increased instructional support for English Learner students.

All funding sources are monitored and maintained through each school site's School Plan for Student Achievement and the District Local Control Accountability Plan.

## 2019-20 Teacher and Administrative Salaries

## Professional Development

All training and curriculum development activities at the Santee Success Program support the implementation of Common Core Content Standards and State curricular frameworks. All teachers, district-wide, annually receive between 3-8 days of professional development at the site and/or district level. Decisions concerning selection of staff development activities are performed by the principal, district administrators, and grade level representatives using tools such as teacher input, district benchmark results, data analysis, and focus groups to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Santee Success Program certificated staff receive support through peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job related training from department supervisors and district representatives.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject | 2019-20 | 2020-21 | 2021-22 |

## Santee School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020-2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020-2021 school year and the 2020-2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020-2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
