About Me

Hello! I am Mrs. Jolie and I've been teaching for 27 years in Kindergarten, First, and 2nd grade, as well as serving as a Language Arts Specialist for 3 years. I LOVE teaching! 📚 I have my MA in Reading and Language Arts from SDSU. I am married and have 3 children ages 17, 18, and 23 AND a 10-month-old grandson! 🍼 We live right around the corner from the school, and I LOVE being a part of the Santee community.

I love to read, take walks, play with my dogs, play cards, play word games and dance.

I value parent involvement and I believe I can teach your child best when working together with you. I will maintain consistent positive communication as one of my priorities. I welcome questions, comments, and concerns and I will respond as soon as reasonably possible. I am so excited to have your child in my class and to be a part of this wonderful adventure of growth and learning in their life.

Supplies Requested

I know starting school is an exciting time and many students want fun supplies, but truly, the ONLY things that I would say are necessary are the **1" binder and the headphones**. A child is welcome to bring their own pencil box, but I have provided one for them. ☺ We DO go through these other items quickly, so donations are wonderful.

3-ring binder: * 1" (please NOT larger) * Clear sleeves on the outside 	1 box of Kleenex/tissue 	THIN EXPO whiteboard markers 
*****Personal Headphones (not Bluetooth) for iPad use***** 	Elmer's Glue Sticks (honestly, the other brands do not work well) 	Ticonderoga Pencils #2 

Wishlist for Donation if you feel inclined

Non-glare sheet protectors 		Hula Hoops (no metallic exterior, please, it shreds and causes cuts) 	1 gallon Ziploc baggies 
--	--	---	--

As the year goes, the Wishlist will be adapted. ☺

Applications/Websites we will be Using

 CLEVER – Please DO NOT auto-save your child's password. They need to learn to type it quickly. Thank you!	 i-Ready (In Clever)
 Wonders (in Clever)	 Seesaw (in Clever)
 Epic – Class code nyd7508	 GuidedReaders.com class code: "Jolie2nd!" Individual passwords in the folder.
